

SOCIAL DISTANCING PLAN COVID-19 APPROPRIATE

PURPOSE:

To reduce the risk of exposure to, and transmission of a highly contagious disease such as COVID-19.

PLAN:

1. The Center will calculate staff-to-participant ratios and reconfigure the Center as necessary.
2. The Center will determine the number of participants that can be safely served while maintaining social distancing.
3. The Center will communicate needed adjustments to services with Community Health Choices service coordinators.
4. The Center will use social distancing (6 feet apart) within groups as required by Department of Health or CDC guidelines.
5. The Center will assess program areas and make appropriate adjustments to maintain social distancing.
6. Educate staff and participants in the importance of social distancing.
